

30 Year Limited Warranty

Terms and Conditions

1. LIMITED WARRANTY COVERAGE

SilvaStar® warrants (for installation within the U.S. and Canada) the coating performance of the SilvaWood™ Series Coating applied by SilvaStar® for a period of thirty (30) years from the date of coating application, or for as long as the original owner owns the building on which it was originally installed, whichever is shorter. Original owner includes the builder, developer and first purchaser of the building. For the period of this warranty, SilvaStar® will cover:

Durable Protection - In normal usage and weather conditions, the coating will not blister, peel, or flake. THIS WARRANTY DOES NOT COVER FAILURE OF THE PRIMER APPLIED BY THE SIDING MANUFACTURER.

Non-Yellowing - The coating will not yellow in normal usage and weather conditions.

Washable - Dirt removal will not damage the coating when using a mild detergent, soft sponge, and gentle hose rinse. POWER OR PRESSURE WASHING WILL VOID THE WARRANTY.

Will not stain lower surfaces - Chalk washdown will not discolor surfaces below the siding.

Resist Erosion - The coating will not erode to expose the substrate.

If SilvaStar® determines that the coating has failed to meet the terms of this warranty, SilvaStar® as its sole liability and in lieu of any direct, indirect, or consequential damages will supply sufficient replacement coating to cover the affected areas, or at SilvaStar's option, will credit or refund the purchase price of the defective coating at a pro-rated basis according to the following schedule: for years one through six – 100% of the cost of coating, for years seven through thirty the amount will decrease 5% per year. Costs of labor for application of replacement products are specifically excluded from this warranty and are the owner's responsibility. Cost of replacement siding material or other substrate is not included in this warranty.
